SIR,

In submitting herewith copy of letter No.657 dated 6th June 1910 from the Deputy Commissioner, Chitaldrug District, stating that he has directed the Amildars to adopt a special "Chellan" form in the case of repayments of Takkavi advances and Land Improvement Loans and requesting that 3,000 copies of the same may be printed at the Government Press and supplied for distribution among the several Taluks, I have the honor to state as follows:-

2. There has been much complaint about the delay in the submission of the half yearly extracts of personal ledgers of loans and advances, and this is attributed by the Deputy Com-missioner, Chitaldrug District, to the time taken up in reconciling the differences that exist between the Treasury figures and the loan accounts maintained in the Revenue Account Branch of the District office. It is proposed to minimise these differences by checking the ledgers kept in the District office with the proposed chellans as they are being received. The form of the chellan is quite suitable for the purpose and I therefore recommend that sanction may be accorded at a very early date to the printing of the forms.

3. The enclosures to the Deputy Commissioner's letter

ENCLOSURE No. 3

Recommending sanction for printing at the Government Press the special chellan form proposed by the Deputy Commissioner, Chitaldrug District for repayment of loans and advances.

Letter No.657 dated 6th June 1910, from the Deputy Commissioner, Chitaldrug District, to the Revenue Commissioner in Mysore.

---

I have the honor to state that the half yearly extracts of the personal ledgers of Loans and advances granted under the old Rules due to the Comptroller are sent from this office long after they are overdue, that is nearly 3 or 4 months after the close of the period to which the returns relate. The delay is attributable chiefly to the time occupied in reconciling the differences that exist between the Treasury figures and the loan accounts maintained in the Revenue Account Branch of the District Office. To reconcile these minute differences, and to see where the variations occur in detail in the accounts for one half-year entails much labour. Every chellan or other voucher of receipt in the Taluk C Accounts relating to Takavi Loans is taken out and examined in order to see if the items mentioned in the Chellan are correctly entered in the Treasury accounts under the proper heads. In doing so the following omissions and mistakes are generally noticed:-

1. In some Irsal Patties no ~~entries~~ entry is made showing the particular item of loan towards which the payment is made: such as loans for irrigation wells, Saguvali Kattes, or Land Improvement for miscellaneous purposes or as advances for irrigation wells.

2. In some cases details of the amount of instalment(e.g. amount credited to principal and interest separately) are not shown.

3. The names of the loan holders are in the majority of the cases not mentioned; and in the absence of this information it becomes very difficult

(4

for the Taluk Gumasta to check the entries in the Irsal Patties.

4. The amounts of the loan instalment recorded are sometimes erroneously credited to land Revenue.

5. These amounts were in some cases shown under other items in the Treasury accounts.

There will hardly be any scope for the Treasury Department to rectify these mistakes in time except in the last mentioned case where corrections can be made on a reference to the original chellan.

2. To avoid these errors and to facilitate the speedy preparation of the Loan ~~xxxxxx~~ Accounts, I have directed the Amildars to make triplicate Chellans (a sub-sidiary to the Irsal Patties) containing the required information as is the case with regard to the credits appearing the District Fund Receipts and Excise Revenue One copy of the Chellan will be kept by the Amildar the 2nd will accompany the Treasury Accounts and the third will be forwarded to the District office. I have also arranged to have the several details of the Chellans checked as soon as they are received here by a reference to the Ledgers maintained in my office, the Treasury Department being then and there apprised of any mistakes appearing in the Chelland with a view to their rectification in the Treasury Accounts. ~~In~~ the entries in the Ledgers too will be made simultaneously instead of once in six months as is being done at present. Forms of the triplicate chellans have been cyclostyled ad sent to several Amildars for urgent use.

3. A copy of the vernacular circular issued by me with the form of the triplicate chellan referred to above is herewith submitted for perusal; and I reque st ~~xkaxx~~

(5)

that the Superintendent of Government Press may be kindly addressed in the matter of getting 3,000 copies of the Chellans printed and supplied early for distribution among the Taluk Amildars in this District.
